

The New Lowel TRIO™

Bring Studio Quality to Your Next Location

● As comfortable in the studio as it is on location, TRIO™ delivers a beautiful soft source of high CRI daylight or tungsten color. Its 3 lamps are individually switched, to control light output.

● Got a small studio that you need to occasionally pack up & take on the road? Lowel's new TRIO™ 3 lamp fluorescent fixture folds down slim, & carries easily.

● Designed with Lowel's legendary attention to detail, TRIO's mounting system keeps the light balanced over the stand while allowing a full range of tilting positions.

TRIO's 3 Light Kit is available with daylight or tungsten color lamps, offers about 500 Watts of fluorescent power, equivalent to 2000 Watts of conventional tungsten output.

Features:

- Auto voltage setting ballast, from 120 - 240v.
- Use high CRI daylight or tungsten compact 55w lamps for accurate color matching with other other light sources.
- Individual lamp switching for variable output control.
- Quick release dual purpose barndoor / intensifiers.
- Quick release locking plate & tilt-bracket that mounts the fixture to stand or boom and provides a generous tilting & rotating range.
- Easy to install egg crate for trimming spill.

TRIO Light Output

With Intensifier

Distance	Foot Candles	Lux
6 ft	119	1290
9 ft	53	576
12 ft	30	322

Without Intensifier

Distance	Foot Candles	Lux
6 ft	85	914
9 ft	38	408
12 ft	21	228

Swivel & tilt for the best lighting placement. Lowel's innovative Mounting Plate & accessory Tilt-bracket keeps TRIO centered on the stand, and easily positioned.

For hanging from studio rail or overhead pipe, the accessory Overhead Mount clamp allows the same generous tilting & rotation ability.

LOWELTRIO™ System

TRIO's innovative mounting plate attaches quickly and allows generous rotation & tilting range, especially when used with the accessory Tilt-bracket (CF-36).

Dual purpose Barndoor/Intensifiers swap quickly to either trim spill or intensify output (approx 2X).

Supplied Egg Crate attaches easily to trim TRIO's beam angle.

Accessory Side barndoors (FLT-310) attach easily and can prevent sideways light spill.

Lights &

Lowel TRIO™

Code: FLT-300

Lowel TRIO with Mounting Plate, Reversible Barndoor/Intensifiers, Accessory Egg Crate, and 16' T1-80 AC Cable (less lamps).

TRIO Side Barndoors

Code: FLT-310

Accessory side barndoors attach to trim sideways spill from TRIO. Non-reversible. Minor assembly required.

Tilt-bracket

Code: CF-36

Attaches between TRIO Mounting Plate and stand/boom. Allows more full range tilting, while keeping weight of fixture centered over stand for best balance.

Hanging Clamp

Code: FLE-CM

Attaches between TRIO Mounting Plate and overhead light rail / pipe. Allows more full range tilting, while keeping weight of fixture centered directly under clamp for best balance. Always use with safety cable, secured to rail.

Kits

TRIO 1 Light Kit

Tungsten Kit

Code: FLT-901TU

Daylight Kit

Code: FLT-901DA

1 Lowel TRIO light (FLT-300), with 1 Tilt-bracket (CF-36), 1 Uni Sr. Stand (UN-66), either daylight or tungsten balanced GE Cinema-Plus fluorescent lamps, & T/O-83X Case

TRIO 3 Light Kit

Tungsten Kit

Code: FLT-903TU

Daylight Kit

Code: FLT-903DA

3 Lowel TRIO lights (FLT-300), with 3 Tilt-brackets (CF-36), 3 Uni Sr. Stands (UN-66), either daylight or tungsten balanced GE Cinema-Plus fluorescent lamps, & TRIO 3 Case (TRF-86).

Mounts

Uni Sr. Stand

Code: UN-66

Maximum height: 7' (2.2 m)

Maximum base diameter:

46" (1.2 m)

Collapsed length:

2.5' (57.2 cm)

Weight: 3.3 lbs (1.5 kg)

Based on design of Uni-stand & KS Jr. stand. Collapses smaller than KS Jr.

Cases

T/O 83X Case

Code: T/O-83X

Size: 29.5 x 13 x 7" (74.9 x 33 x 17.8 cm)

Weight: 11 lbs (5kg)

Special case for single TRIO light. High impact molded polyethylene case, hinged lid, with padded shoulder strap (SS-10).

TRIO 3 Case

Code: TRF-86

Size: 29.5 x 17 x 9.75" (74.9 x 43.4 x 24.8 cm)

Weight: 18 lbs (8.2 kg)

High-impact molded polyethylene case, with hinged lid, recessed wheels & handle. Holds 3 TRIO's (FLT-300), plus 3 Uni-Sr. Stands (UN-66), and 3 Tilt-brackets (CF-36)
