AUDIO ACCESSORIES

Suspension Shockmounts

Auray's complete line of shockmounts are designed to prevent shock or contact from affecting the microphone's performance as well as eliminate noise and vibrations that often travel through a mic stand.

- Prevent unwanted noise from interrupting recordings and provide quiet professional-quality sound.
- Shockmounts available for shotgun large diaphragm and small diaphragm microphones from most manufacturers.
- All Auray suspension shockmounts feature solid heavy duty construction for durability and reliable performance
